

## Hello!

This is the timetable for bus services to Weston General Hospital, Bleadon and Hutton from 4<sup>th</sup> September 2017.

## What is changing?

As a result of a change of contract with North Somerset Council, Citistar will be taking the service over from Crosville from this date and the timetable will be changed with buses generally running hourly, Monday to Friday and serving Bleadon three times per day.

The services in this timetable are expected to operate until Easter 2018 at which point North Somerset Council will be evaluating their usage and adjusting the service as part of a wider review of the local bus service network.

We have adjusted fares to make the service more simple to use. English concessionary passes are welcomed for travel after 9am.

## About Citistar

Citistar is a family owned local business, based at Stanton Wick in the Chew Valley. We have been operating buses since 2010 and providing services to Weston from Blagdon and surrounding villages since 2013.

We look forward to welcoming you aboard the new 4, 4A and 4C services!
